BILL ANALYSIS

Background Information:

It is believed that a conservation and reclamation district should not be created by the Legislature unless a copy of the bill is delivered to any affected county or city.

What This Resolution Proposes To Do:

⁵~~S~~. J. R. No. ¹~~2~~ would submit to the electorate a proposed constitutional amendment that would require a notice to be filed with the commissioners court of each county and the governing body of each incorporated city or town in whose jurisdiction a conservation and reclamation district, to be created by the Legislature, would lie. Provides that the affected counties and cities may file their written consent or opposition to the creation of the proposed district with the Governor, Lieutenant Governor, and Speaker of the House of Representatives. Requires each law creating a district to comply with the general laws relating to consent to political subdivisions to the creation of conservation and reclamation districts and to the inclusion of land within the district.

Section by Section Analysis:

Section 1. Would add a new subsection (e) to Article XVI, Section 59 of the Texas Constitution which would require a notice to be filed with the commissioners court of each county and the governing body of each incorporated city or town in whose jurisdiction a conservation and reclamation district, to be created by the Legislature, would lie. Provides that the affected counties and cities may file their written consent or opposition to the creation of the proposed district with the Governor, Lieutenant Governor, and Speaker of the House of Representatives. Requires each law creating a district to comply with the general laws relating to consent to political subdivision to the creation of conservation and reclamation districts and to the inclusion of land within the district.

Section 2. Submits the Constitutional Amendment to the Texas electorate in November, 1973.

Summary of Committee Action:

Notice having been posted May ¹⁵~~16~~, 1973, the Committee on Natural Resources considered ^S~~S~~. No. 1. It was moved and seconded that ~~S~~^S J. R. No. 1 be sent back to the House with the recommendation that it do pass
